## ART CHANGES PEOPLE'S LIVES

High-quality creative activities to help people from vulnerable groups to gain:

- Transferable skills.
- Develop self confidence.
- Connect to their communities.

## OBJECTIVES:

- Establish a new transnational network of adult education providers.
- Foster the European cooperation between adult education providers working with specific adult education learner groups and in particular vulnerable groups.

## ACTIVITIES:

- Production of communication and information material.
- Organisation of raising awareness activities.
- Collection and pilot implementation of selected good practices of cultural and artistic activities targeting vulnerable groups.
- Production of a toolbox of good practices.
- Organisation of a workshop for exchanging experiences and good practices among the project's partners.
- Organisation of training to trainers, professionals and representatives of organizations involved in adult education.
- Production of a manual on how to design and implement cultural and artistic activities for vulnerable groups.
- Production of a policy recommendations report.
- Development of a web-platform.

## RESULTS:

- Establishment of a new Network of adult education providers implementing cultural activities for promoting the social inclusion of vulnerable groups.
- Dissemination of the project's results.
- Collection, exchange and dissemination of good practices.
- Enhance the capacity of the partners as well as of relevant organizations, authorities and professionals to design and implement cultural and artistic activities for the promotion of social inclusion of vulnerable groups.
- Production of reports targeting trainers, professionals and representatives of organizations involved in adult education.

## IMPACT:

- Strengthen the dialogue concerning the impact of the implementation of cultural activities in promoting the social inclusion of vulnerable groups at the European, national, regional and local level.
- Capacity building of the partners, authorities and organisations involved in adult education to design and implement cultural activities for the promotion of social inclusion of vulnerable groups
- Members of vulnerable groups shall develop skills, build self-confidence and improve self-esteem.

## // RAISE AWARENESS

### PROMOTE //

The Network and the project results to stakeholders at European, national, regional or local level.

### DISSEMINATE //

The importance of cultural activities as an educational method for the promotion of social inclusion of vulnerable groups.

### IDENTIFY //

Opportunities for joint interventions among network's members.

### IMPLEMENT //

Cultural and artistic activities with the participation of members of vulnerable groups.

### REPORTS //

Documenting knowledge based on members' interventions
